Course:  
**“Learn Spanish Language and Culture in Spain”**

**Target group**

Learners and staff in higher and vocational education with specialization in Tourism; youth workers and young people

By completing this course, you will be able on behalf of your organisation to:

- enhance your Spanish language skills, with particular regard to their relevance for the tourism industry labour market;
- take the opportunity to improve your professional qualifications;
- strengthen your foreign language competences;
- enhance intercultural awareness to increase employability;
- improve career prospects of course participants;
- acquire greater understanding and responsiveness to social, linguistic and cultural diversity.

The course has a practical and participative focus in order to address the points which present the biggest difficulty for speakers of Spanish as a foreign language paying attention to the needs of the participants relevant to the professional area from the double perspective of their role as an (future) employee of the Tourism Industry and users of the language.

### Expected Learning Outcomes of the training

By the end of the training, the participants will:

- have increased confidence in their use of Spanish in their daily work within the tourism industry labour market;
- have improved their professional qualifications, strengthen their foreign language competences;
- have acquired greater understanding and responsiveness to social, linguistic and cultural diversity;
- have learnt about the culture of Spain.

### Sessions

1. 05.09.2016 – 09.09.2016

2. 19.06.2017 – 23.06.2017

### Important Note

Face-to-face training takes place every day till around 2pm. However, after lunch learning and project work continues by the participants working in teams. This team work is an essential way of learning.

### Pre-arrival activities, Impact evaluation and Follow up

Before their arrival, all the participants will be requested to complete a short evaluation questionnaire in relation to their competencies in the course topics. They will be requested to complete a similar questionnaire three months later to assess the impact of the skills acquired in the course (e.g. any feedback from their students, their colleagues or other partners or teachers that they have involved by applying the new practices they have acquired).

Our course trainers will act as mentors to all the participants in our course in order to support them in their new professional prospects in the area of training and education.

### Course Venue and Accommodation

The course takes place in the city of Reus, Spain and we can help you with special accommodation arrangements at 2-4 star hotels for each participant to stay within the grant budget.

Reus is situated 100 kilometres from Barcelona, 10 kilometres from Tarragona with its stunning architecture recognized by UNESCO, and 9 kilometres from the Mediterranean coast Costa Dorada. Reus is known as the birthplace of architect Antonio Gaudi, a Modernist Route. It is close to the Theme Park Port Aventura.

Here, you can try traditional Spanish and Catalan food, good wine and vermouth (Vermut de Reus).

Reus international airport is popular with low cost airlines.
