

# Creating a LGBTQIA+ in educational environments

## About the Course

This course fosters an inclusive and equitable learning environment where all students feel safe, valued, and represented. Participants will explore LGBTQIA+ identities, intersectional discrimination, and inclusive education, gaining practical tools to create safe spaces and manage conflicts.

Educators will learn to use inclusive language, support student well-being, and adapt teaching methods to promote personal and academic growth. The course equips them with strategies to enhance classroom inclusivity, address discrimination, and build a school culture that respects and affirms every student's identity.

**Target Group**  
Adult educators and trainers

Duration  
5 Days

## Our Objectives

- **Understand and support LGBTQIA+ identities** in the classroom, fostering a safe and inclusive learning environment.
- **Recognize and address intersectional discrimination**, understanding how different aspects of identity interact and influence students' experiences.
- **Use inclusive language and teaching materials** to ensure representation.
- **Develop classroom management strategies** to prevent and address discrimination, bullying, and conflicts related to identity and diversity.
- **Implement inclusive teaching practices** that support the well-being and academic success of all students.
- **Apply institutional policies** to uphold a culture of respect, equity, and diversity within the educational setting.
